

SKY LUMINAIRE

The SKY LUMINAIRE is designed to be a suspended fixture that functions as a custom sized Luminare that can be tied into a standard T-Bar Ceiling System.

The SKY LUMINAIRE can be produced up to 78" x 39", and transforms rooms and interior spaces that are dark and that receive little to no daylight into restorative beautiful spaces.

With the optional second surface printed graphics EOS can provide, the SKY LUMINAIRE is more than capable of bringing a touch of nature in an otherwise enclosed room.

The SKY LUMINAIRE can be used to accommodate a large number of applications:

Branding

Residential Signage

Custom Fixtures

Bar

Commercial Interior
